

To use this work: print both pages on 8 1/2 x 11 cardstock and laminate. Cut out all 26 individual words. Cut out the two letter charts. Let the child match the individual words to the right of each letter. This work fits perfectly in a file folder—you can tape one letter chart on each side of the folder (when opened), and store the loose words in a baggie inside. **Please note: this PDF is copyrighted by Montessori for Everyone and is free for personal use only.
