Instructions: print on cardstock and laminate. Cut out the pictures on this page. If you like, you can put Velcro in the middle of each rectangle on the Blank Chart, with the contrasting piece of Velcro on the back of each of the pictures. Show the child how to put the picture by the name of the correct season. You can discuss the seasons and the changes we see during each. Let them use the Control Chart to check their work.

**Please note: this version of The Four Seasons was made at the request of someone from Australia. If it doesn't fit your needs, please use The Four Seasons—Autumn instead.**
